THE South-Carolina Gazette.

Containing the freſheſt Advices Foreign and Domeſtick

FROM SATURDAY *November* 4, to SATURDAY *November* 11, 1739.

South-Carolina.

THE SPEECH
Of the Honourable
William Bull *Eſq;*
Lieutenant Governor
And Commander in Chief in and over His Majeſty's Province of *South-Carolina.*

Gentlemen of his Majeſty's Council, and Mr. Speaker & Gentlemen.

I Am glad of an Opportunity of meeting you at laſt in General Aſſembly, at a Time when the Publick Affairs require our greateſt Care and Attention to provide for the Defence and ſecurity of this Province by ſuch Means as are moſt likely to anſwer thoſe deſirable Ends.

It is with great Pleaſure that I can acquaint you, that I have had the good Fortune to ſucceed in my application to his Majeſty for a further ſupply of Ordnance & ſmall Arms, which are ſo compleatly fitted with all Neceſſary's that they are ready for immediate ſervice. This is ſuch a diſtinguiſhing Mark of the Royal Favour & Regard which his moſt Gracious Majeſty has ſhewn for the Wellfare of this Flouriſhing Province, that I doubt not but you will readily concur with me in returning his Majeſty a grateful Addreſs of our Thanks & to aſſure his Majeſty that nothing ſhall be wanting on our parts to Teſtifye our Loyalty to his Majeſty and to concert and execute moſt vigorous Meaſures in our own Defence, I am perſuaded that nothing will recommend us more to his Majeſty's further Favour and Protection.

Mr. Speaker and Gentlemen.

As the Ordnance is already arrived which his Majeſty has granted for the Defence of this Province, and the Meaſures which his Majeſty has been pleaſed to take to Vindicate the Honour of his Crown and to procure ſatisfaction for his injured ſubjects, may be attended with an open Rupture I therefore recommend to you the Diſpatch of ſuch a Proviſion as will be ſufficient to finiſh the Curtain Line and other Fortifications; and likewiſe for ſcout boats and Look-outs on the Sea-Coſts, as well as Rangers to cover and protect our out Settlements, which in the preſent Poſture of Affairs ſeem abſolutely neceſſary. I recommend to you to make Proviſion to Anſwer the Demands, upon the Publick Treaſury, and alſo for the Contingent Charges of the Government which in all Probability may be greater now than formerly.

Gentlemen of his Majeſty's Council, and Mr. Speaker and Gentlemen.

It is my duty, my Inclination and my Intereſt to promote the proſperity of this Province on all Occaſions, and as I doubt not but you are met together with the ſame Views and Intentions, I therefore think it needleſs to recommend to you, that Unanimity and Diſpatch which is ſo neceſſary in the preſent Juncture of Affairs and which will contribute ſo much to the Succeſs of all our Endeavours and Undertakings.

William Bull.

November 7, 1739.

The humble Addreſs of the Commons House of Aſſembly of the ſaid Province.

May it pleaſe your Honour,

WE his Majeſty's moſt dutiful and loyal Subjects the Commons of his Majeſty's Province of *South-Carolina*, now met in General Aſſembly, cannot but return your Honour our moſt hearty Thanks for your ſpeech Yeſterday deliver'd to us, at the Opening of this Seſſion: And we muſt at the ſame time declare the Concern we are under, that the double Returns on ſo many Writs of Election, have with other Inpediments, ſo long prevented our Attendance on your Honour, for the progreſs and Diſpatch of the Publick Buſineſs.

We

We have the highest Senſe of the many Inſtances this Province from time to time received of his Majeſty's moſt gracious Concern for our Security and Welfare, which we were always ready to acknowledge in the moſt grateful and dutiful manner, and as the late Supply of Ordnance and ſmall Arms, which his Majeſty has been pleaſed to ſend us, on your Honour's Application, is ſo ſignal and recent a Proof of his Majeſty's moſt tender and paternal Care of us, we cannot fail of concurring moſt chearfully with your Honour in a grateful Addreſs of our moſt ſincere & dutiful Thanks to his moſt ſacred Majeſty on this remarkable Inſtance of his Majeſty's Royal Bounty, and: And we muſt alſo take this Opportunity to declare ourſelves willing with Hearts and Hands to convince the World that his Majeſty's Arms are beſtow'd upon a People ready to execute to the utmoſt of their Power, the moſt vigorous Meaſures, in Vindication of his Majeſty's Honour, as well as their own Defence againſt his Majeſty's Enemies.

The Particulars mentioned in your Honour's Speech relating to the Cartain Line, Scout-boats, Rangers & Look-outs, we ſhall conſider in due time with proper Attention; as well as every thing elſe your Honour ſhall be pleaſed to communicate to us in the preſent ſituation of Affairs. And as a Proviſion to anſwer the Demand on the publick Treaſury is highly neceſſary for the Support of the publick Credit, we hope to give your Honour an early Aſſurance that we are met together with a true Diſpoſition of being unanimous to promote the Service and Intereſt of our Country, in which our Endeavours cannot fail of Succeſs as we make no doubt of meeting with the hearty Concurrence of his Majeſty's Honourable Council
